ODS Symposium

On October 15th-16th, 2024, the NCI Office of Data Sharing (ODS) is hosting the **Annual Data Sharing Symposium** titled ***Driving Cancer Advances through Impactful Research*** inside the [Clinical Center at the National Institutes of Health in Bethesda, MD](#).

This two-day event will include learning sessions, panel discussion and thinktank opportunities to address meaningful data sharing and data use and will be followed immediately by the NCI Cancer Research Data Commons (CRDC) Symposium which will focus on how this data science infrastructure fits in the data sharing lifecycle to support cancer research.

Announcements

An update to the [Index of NCI Studies \(INS\) 2.0](#) launched on May 9th, 2024. The new release expands upon the descriptions of NCI-supported projects and their associated research outputs with new project detail pages.

CCDI Contract Opportunity: The goal of this acquisition is to support research molecular characterization of biospecimens in support of, but not limited to, the ongoing research programs conducted under the Childhood Cancer Data Initiative (CCDI). [Notice ID 75N91023R00042](#). Offers due Jun 14, 2024 03:00 pm EDT.

Request for Information (RFI) on Data Management, Sharing, and Secondary Data Use Challenges and Opportunities. [NOT-AG-24-013](#). Response due May 31, 2024.

NIH AI funding opportunity: [Advancing Health Research through Ethical, Multimodal AI](#), OTA-24-095. Proposal Due Date: May 16, 2024, by 5:00 PM local time of applicant organization. Earliest Start Date: August 30, 2024.

Notice of Pre-Application Webinar for the NIH Biomedical Data Repositories and Knowledgebases Program (DRKB). [NOT-OD-24-097](#).

Meetings

Happening now:

- May Data Sharing and Reuse Seminar: Laying the Foundation for AI-Ready Data on May 10, 2024, at 12 p.m. [Register here](#).
- AI in IO: SITC-NCI Computational Immuno-oncology Webinar - AI in Personalized Immunotherapies. May 15, 2024, 12-1pm. [Register here](#).
- Population Descriptors for Legacy Genomic Data: Challenges and Future Directions. May 28-29, 2024. [Register here](#).

Past meetings:

- Advancing Health Research through Ethical, Multimodal AI Initiative Research Opportunity Announcement (ROA) informational webinar. [Recording](#).
- Health Disparities in the Medical Record and Disability Determinations: A Workshop. April 4-5, 2024. [Recording](#).
